Chicago Police Detective John E. Killackey, III, Star #20163 has been placed on court supervision for the misdemeanor offenses of Aggravated Assault and Theft of Services under Case No. 10-1198469. Our office is the prosecuting authority in Detective Killackey's case. Detective Killackey's supervision is set to terminate on December 26, 2011.

If you or any of the assistants that you supervise have a case where you are calling Detective Killackey as a witness, the fact that Detective Killackey is currently on court supervision should be disclosed to the defense prior to trial as that fact would be relevant to his motive, interest or bias he may have in testifying as a witness for the State. The MIS Department is doing a computer search to see whether Detective Killackey is a witness on any pending felony cases. Once I have the results of

that search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Detective Killackey is a witness.

If you or the assistants that you supervise have a case where Detective Killackey is a witness and you determine that he is a necessary witness who needs to be called in the case, and, at the time of his testimony Detective Killackey is still on court supervision, please file and tender to the defense the attached Notice of Disclosure prior to trial. None of the ASAs that you supervise are to file the notice without your prior knowledge and approval. An electronic copy of the Notice of Disclosure will be sent to you.

If you or your ASAs have any questions, please call me. Thank you.
